US OPEN Pickleball Championships 2021 Zing Zang Championship Court Ticket Holders

Over the last year we have been hit with making decisions that are not within our control. This is one of those decisions we wished we didn't have to execute. However, with the efforts of doing everything possible to keep the Minto US OPEN Pickleball Championships moving forward in 2021, we are being Covid cautious in many areas of the event. One of those areas is our beloved Zing Zang Championship Court.

We are very sorry to inform you that it is necessary to change the lay-out of the Championship Court to reduce the amount of traffic on the court. Therefore, we are cancelling, and refunding all tickets for the 2021 event. Unfortunately, we will not be rolling over any purchased tickets to any future year. All tickets will be refunded within the next two weeks.

This was a decision we delayed as long as possible in hopes that we would be in a better place to pack in the fans once again.

We will be announcing, at a later date, the plan to sell a limited number of tickets at Party in the Park on April 17th. Please sign up for our email updates to stay up to date on the latest information.
